

DELHI SCHOOL OF MANAGEMENT DELHI TECHNOLOGICAL UNIVERSITY

Established by the Govt. of NCT of Delhi vide Act 6 of 2009
(Formerly Delhi College of Engineering)

ACCREDITED WITH 'A' GRADE (CGPA 3.22 out of 4) by NAAC

ISO 90001 : 2015 Certified

MASTER OF BUSINESS ADMINISTRATION (MBA) 2025-27 BATCH

AICTE Approved
Accredited by National Board of Accreditation (NBA)

IMPORTANT DATES

Start date for Online Registration	02/04/2025
Last date of filling online application form	04/05/2025

*Last date was extended till 11/05/2025

IMPORTANT NOTE/ DISCLAIMER:

- The contents of the brochure are on the basis of the policies available as on this date of release of Admission Brochure for Academic Session 2025-26. Additional information shall be uploaded on the University website: www.dtu.ac.in/www.cmacadmissions.com and all the candidates desirous of seeking admission are hereby advised to regularly visit the University website for additional information.
- In view of any challenges that may transpire, and if necessitated, change may be made in the procedure for personal appearance of applicants for PI, as well as for verification of documents/certificates, which shall be notified in due course by the University on its website: www.dtu.ac.in/ www.cmacadmissions.com. Applicants are advised to monitor the same and act as directed.
- The University reserves the right to revise, update or remove any part of this brochure without giving any prior notice. Any change made shall be updated on the University website.

TENTATIVE ADMISSION SCHEDULE

S. No.	Events	Revised dates
1.	Uploading of Information bulletin and Application form	2nd April 2025 (Wednesday)
2.	Last date of submitting the completely filled application form	4th May 2025 (Sunday)
3.	Date of release of short-listed candidates for Interview and documents verification	16th May 2025 (Friday)
4.	Documents Verification and Personal Interview of shortlisted candidates	26th - 30th May 2025 (Monday-Friday)
5.	Release of the list I of selected candidates	16th June 2025 (Monday)
6.	Online Payment of Part Admission Fee (Rs. 1,00,000)	17-19th June 2025 (Tuesday-Thursday)
8.	Release of List II of selected candidates against vacant/ withdrawal seats (after upgradation from first round)	27th June 2025 (Friday)
9.	Online Payment of Part Admission Fee (Rs. 1,00,000)	28th June- 2nd July 2025 (Saturday-Wednesday)
10	Release of List III of selected candidates against vacant/ withdrawal seats (after upgradation from second round)	7th July 2025 (Monday)
11	Online Payment of Part Admission Fee (Rs. 1,00,000)	8th -10th July 2025 (Tuesday-Thursday)
12.	Reporting of candidates for verification and issue of allotment letter.	14-15th July 2025 (Monday-Tuesday)
13	LAST DATE OF ADMISSION (for reference of withdrawal and refunds)	26th July 2025 (Saturday)
14	Notification of Spot Round (if required)	To be announced

Note: All candidates desirous of seeking admission to MBA Programme are hereby advised to read the brochure carefully and visit the website www.dtu.ac.in/ www.cmacadmissions.com regularly for updates and other details/additional information about the entire admission process. The content and information provided in the admission brochure are based on current instruction/guidelines issued by the Govt. of NCT Delhi and DTU. Any modification/addition/further clarification about the eligibility conditions and procedures for admission in the MBA programme, if required, will be notified on the university website through separate notification.

MESSAGE FROM HON'BLE VICE CHANCELLOR

Prof. Prateek Sharma
Vice-Chancellor

It is my pleasure to announce the commencement of the admission process for the MBA program for the academic year 2025-26 at Delhi Technological University. I welcome all the aspiring business leaders to Delhi Technological University (DTU), a prestigious institution known for its commitment to academic excellence, innovation, and industry-oriented education. DTU offers a diverse range of undergraduate and postgraduate programs that are designed to equip students with cutting-edge knowledge, technical expertise, ethical values and problem-solving skills. With a strong emphasis on multidisciplinary learning, research, and industry collaboration, DTU ensures that students across all disciplines, including management, engineering, and applied sciences, are well-prepared for the dynamic global landscape.

The Master of Business Administration (MBA) programme, offered by the Delhi School of Management (DSM), is designed to shape innovative, analytical, and ethically responsible business leaders. Through a multidisciplinary curriculum, experiential learning, and collaborations with industry leaders, our program empowers students to develop strategic decision-making abilities, leadership qualities, and entrepreneurial mindsets. The program fosters critical thinking, data-driven decision-making, and an innovation-oriented mindset, equipping graduates to excel in corporate, entrepreneurial, and public-sector roles.

In an era where digital transformation, sustainability, and innovation are reshaping business landscapes, DTU is committed to staying ahead of the curve. Our focus on technology-driven education, data-driven decision-making, and contemporary business practices ensures that our students are prepared to tackle real-world challenges with confidence. Aligning with the National Education Policy (NEP) 2020, our academic framework emphasizes skill development, research, and outcome-based learning, fostering an environment where students can thrive as global leaders.

I encourage ambitious and motivated individuals to join DTU's MBA programme, which offers world-class education, fosters a forward-thinking perspective, and equips students to make a meaningful impact in the corporate world. I wish all aspirants success in their academic pursuits and future endeavors.

Prof. Prateek Sharma

MESSAGE FROM HEAD OF DEPARTMENT

Dr. Saurabh Agrawal

Head of Department

Welcome to the Delhi School of Management (DSM), where excellence meets innovation and aspirations transform into achievements.

Since its establishment in 2009, DSM has been a beacon of academic brilliance-delivering high-quality education, pioneering research, and meaningful consultancy in the dynamic world of business management. Over the years, DSM has grown into a premier business school, consistently recognized for its academic rigor, vibrant learning environment, and commitment to shaping responsible and visionary business leaders.

At DSM, we take pride in our diverse and industry-aligned academic offerings. Our portfolio includes the flagship two-year full-time MBA, specialized MBA (Business Analytics), MBA (Innovation, Entrepreneurship and Venture Development), weekend MBA (Executive), and the Doctoral Program (Ph.D.) in Management. Each program is meticulously designed to cater to the evolving needs of future managers and scholars.

What truly sets DSM apart is our strong industry connect, interdisciplinary approach, and active involvement of our highly accomplished alumni network. The university's state-of-the-art facilities, including specialized labs, research centers, and collaborative spaces, foster an environment of innovation and practical learning. Their continuous engagement-through mentorship, guest lectures, and placement support-adds immense value to our students' journeys. Our distinguished faculty, known for both academic excellence and industry expertise, brings real-world insights into the classroom, ensuring our students are always a step ahead.

The DSM MBA program stands out for its holistic and globally benchmarked curriculum. It offers not just knowledge of core business domains but also sharpens skills in data analytics, digital tools, sustainability, and emerging technologies. We don't just educate; we empower students to become ethical leaders, creative problem-solvers, and agents of positive change. Our alumni today are thriving in leadership roles across top corporates, startups, government organizations, and academia testament to the impact of a DSM education.

As we embrace this new phase with optimism and purpose, I invite you to be a part of our vibrant and ever-evolving community. Join us in co-creating a future where knowledge meets impact, and ambition meet achievement while continuing to uphold the legacy and values of Delhi Technological University.

Dr. Saurabh Agrawal

ABOUT DTU

Delhi Technological University has been a beacon of academic excellence and innovation for the past 83 years. The university has garnered recognition for being an eminent institution, known for its academic research and entrepreneurial excellence in a plethora of fields. Delhi Technological University has adopted the principles of knowledge, critical thinking, creativity and innovation at the core of its education policy, all while embracing integration, access and inclusivity. With an aim to provide a holistic education, conventional classroom teaching has been merged with innovative methods fostering curiosity and academic prowess in our students. From its inception as Delhi Polytechnic to its present-day identity as Delhi Technological University, the university has always championed the cause of providing students with a high-quality education that allows them to flourish in their chosen domains. Along with imparting knowledge, the University has achieved pioneering advances in undertaking creative and internationally relevant research and innovation over the years.

With 83 years of its long-established tradition of excellence in engineering & technology education, research and innovations, Delhi College of Engineering, (initially established with the name – Delhi Polytechnic) came into existence in the year 1941 to cater the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge. The institution was set up at historic Kashmere Gate campus as a follow up of the Wood and Abott Committee of 1938. It comprised of a multi-disciplinary and multi-level institution offering wide ranging programmes in engineering, technology, arts and sculpture, architecture, pharmacy and commerce. In 1952 the college was affiliated with University of Delhi and started formal Degree level Programmes. The department of Architecture later became the School of Planning and Architecture (SPA), now a Deemed University and Institution of National importance. The department of Arts and Sculpture became College of Arts and the departments of Chemical Technology and Textile Technology were shifted out en-block to mark beginning of the IIT Delhi at its new campus at Hauz Khas. Further expanding its academic reach, the Department of Pharmacy, evolved into the College of Pharmacy under the Directorate of Training and Technical Education, Delhi. The department of commerce was later abolished and the faculty of management studies of the University of Delhi was established. Delhi College of Engineering is thus the mother institution of a number of national projects including IITD, SPA, College of Arts and even the famous FMS.

After the reconstitution of the Delhi College of Engineering by the Government of NCT of Delhi in 2009, by Act 6 of 2009, passed by the assembly of the NCT of Delhi, DCE became Delhi Technological University. It is a non-affiliating, teaching and research University, committed to achieve excellence in Engineering, Science, Technology, Management and allied areas. Over its rich history of over 83 years, the institution has been serving the nation and the global community since its inception in 1941, by providing trained manpower of highest quality in the field of engineering and technology, and is globally well known for its outstanding education, research and innovations.

DTU remains committed to cultivating a culture where scientific research fuels technological advancement and technological ingenuity enriches scientific exploration so that science and engineering seamlessly converge. The University is dedicated to nurturing innovation by promoting industrially relevant projects, technology incubation, and research-driven education with the help of a dedicated Incubation and Innovation Foundation. With a strategic focus on cutting-edge research and development, DTU continues to expand its footprint in pioneering innovations, interdisciplinary collaboration, and entrepreneurial ventures.

Upholding and uplifting its long and remarkable history in education and research, the University currently offers various inter-disciplinary and industry relevant programs in Science, Engineering, Management & Allied areas at the undergraduate, postgraduate and doctoral level. The University has established a strong academia-industry interface and has collaborations with reputed research organizations, industries, and premier institutions. Many alumni of the institute have achieved remarkable success both in India and abroad, bringing honour to the name of the University. Their contributions reflect the strong foundation and values instilled during their time at the University. DTU places great emphasis on nurturing national character, self-confidence, and leadership among its students and fosters an ecosystem that encourages creativity, imagination, and innovation. The University is committed to developing not only skilled professionals but also responsible, forward-thinking leaders. With its rich legacy and progressive outlook, DTU continues to empower students to make a lasting impact and stay at the forefront of global academic excellence.

VISION

“To be a world-class university through education, innovation, and research for the service of humanity”

MISSION

- To establish centres of excellence in emerging areas of science, engineering, technology, management, and allied areas
- To foster an ecosystem for incubation, product development, transfer of technology, and entrepreneurship
- To create environment of collaboration, experimentation, imagination, and creativity
- To develop human potential with analytical abilities, ethics, and integrity
- To provide environment friendly, reasonable, and sustainable solutions for local & global needs

CORE VALUES

Integrity

Compassion

Commitment

Creativity

Collaboration

Inclusion

PROGRAMMES OFFERED BY DTU

The University offers the following Undergraduate Programmes:

S.No.	Programme	Department
1	B. Tech Chemical Engineering	Applied Chemistry
2	B. Tech Mathematics and Computing	Applied Mathematics
3	B. Tech Engineering Physics	Applied Physics
4	B. Tech Biotechnology	Biotechnology
5	B. Tech Civil Engineering	Civil Engineering
6	B. Tech Computer Science & Engineering	Computer Science and Engineering
7	Bachelor of Design	Design
8	B. Tech Electronics & Communication Engineering	Electronics and Communication Engineering
9	B. Tech Electrical Engineering	Electrical Engineering
10	B. Tech Environmental Engineering	Environmental Engineering
11	B. Tech Information Technology	Information Technology
12	B. Tech Mechanical Engineering	Mechanical Engineering
13	B. Tech Production and Industrial Engineering	Mechanical Engineering
14	B. Tech Mechanical Engineering with Specialization in Automotive Engineering	Mechanical Engineering
15	B. Tech Software Engineering	Software Engineering
16	Bachelor of Business Administration	USME
17	Bachelor of Arts (Honors) Economics	USME
18	B. Tech (Computer Engineering Evening)	Computer Science and Engineering
19	B. Tech (Electronics and Communication Engineering Evening)	Electronics and Communication Engineering
20	B. Tech (Mechanical Engineering Evening)	Mechanical Engineering
21	B. Tech (Mechanical Engineering Evening)	Electrical Engineering

The University offers the following Post Graduate Programmes:

S.No.	Programme	Department
1	M.Tech Polymer Technology	Applied Chemistry
2	M.Tech Material Science & Technology	Applied Physics
3	M.Tech Bioinformatics	Biotechnology
4	M.Tech Industrial Biotechnology	Biotechnology
5	M.Tech Geotechnical Engineering	Civil Engineering
6	M.Tech Hydraulics & Water Resources Engineering	Civil Engineering
7	M.Tech Structural Engineering	Civil Engineering
8	M.Tech Computer Science & Engineering	Computer Science & Engineering
9	M.Tech Artificial Intelligence	Computer Science & Engineering
10	M.Tech Information Technology	Information Technology
11	M.Tech Microwave and Optical Communication	Electronics and Communication Engineering
12	M.Tech Signal Processing & Digital Design	Electronics and Communication Engineering
13	M.Tech VLSI Design and Embedded System	Electronics and Communication Engineering
14	M.Tech Control & Instrumentation	Electrical Engineering
15	M.Tech Power Electronics and Systems	Electrical Engineering
16	M.Tech Environmental Engineering	Environmental Engineering

17	M.Tech Industrial Engineering and Management	Mechanical Engineering
18	M.Tech Energy Systems and Management	Mechanical Engineering
19	M.Tech Computer Aided Analysis and Design	Mechanical Engineering
20	M.Tech Production Engineering	Mechanical Engineering
21	M.Tech Thermal Engineering	Mechanical Engineering
22	M.Tech Software Engineering	Software Engineering
23	M.Tech Data Science	Software Engineering
24	M.Tech Geoinformatics	Multi-Disciplinary Centre for Geo-Informatics

M. Tech by Research

S.No.	Programme	Department
1	M.Tech by Research	Applied Chemistry
2	M.Tech by Research	Applied Physics
3	M.Tech by Research	Biotechnology
4	M.Tech by Research	Civil Engineering
5	M.Tech by Research	Computer Science & Engineering
6	M.Tech by Research	Information Technology
7	M.Tech by Research	Electronics and Communication Engineering
8	M.Tech by Research	Electrical Engineering
9	M.Tech by Research	Mechanical Engineering
10	M.Tech by Research	Software Engineering
11	M.Tech by Research	Multi-disciplinary Centre for Geo informatics

MBA Programmes

S.No.	Programme	Department
1	Master of Business Administration	DSM
2	MBA Business Analytics	DSM
3	MBA Innovation, Entrepreneurship and Venture Development	DSM
4	Master of Business Administration (Executive)	DSM

M.Sc. Programmes

S.No.	Programme	Department
1	M.Sc. Mathematics (MSCMAT)	Applied Mathematics
2	M.Sc. Physics (MSCPHY)	Applied Physics
3	M.Sc. Biotechnology (MSCBT)	Biotechnology
4	M.Sc. Chemistry (MSCCHEM)	Applied Chemistry

5-Year Integrated B.Sc-M.Sc. Programs

S.No.	Programme	Department
1	Integrated B.Sc-M.Sc. Mathematics	Applied Mathematics
2	Integrated B.Sc-M.Sc. Physics	Applied Physics
3	Integrated B.Sc-M.Sc. Biotechnology	Biotechnology
4	Integrated B.Sc-M.Sc. Chemistry	Applied Chemistry
5.	Integrated B.Sc-M.Sc. Economics	USME

M.A. Economics 2023-24:

S.No.	Programme	Department
1	M.A. Economics	USME

M. Design 2023-24:

S.No.	Programme	Department
1	M. Des Interaction Design (ID)	Design
2	M. Des Product Design (PD)	Design
3	M. Des Visual Communication (VC)	Design
4	M. Des Transportation and Service Design (TD)	Design
5	M. Des Life Style Accessory Design (LD)	Design

Ph.D. Programmes 2023-24:

S.No.	Programme	Department
1	Ph.D. Chemistry	Applied Chemistry
2	Ph.D. Chemical Engineering	Applied Chemistry
3	Ph.D. Physics	Applied Physics
4	Ph.D. Engineering Physics	Applied Physics
5	Ph.D. Mathematics	Applied Mathematics
6	Ph.D. Mathematics and Computing	Applied Mathematics
7	Ph.D. Biotechnology	Biotechnology
8	Ph.D. Civil Engineering Geoinformatics	Civil Engineering
9	Ph.D. Computer Science & Engineering	Computer Science & Engineering
10	Ph.D. Electronics & Communication Engineering	Electronics & Communication Engineering
11	Ph.D. Centre for Excellence for Electric Vehicles and Related Technologies	Electrical Engineering
12	Ph.D. Environmental Engineering	Environment Engineering
13	Ph.D. Mechanical Engineering	Mechanical Engineering
14	Ph.D. Management	Delhi School of Management
15	Ph.D. Information Technology	Information Technology
16	Ph.D. Software Engineering	Software Engineering
17	Ph.D. Computer Science	Software Engineering
18	Ph.D. English	Humanities
19	Ph.D. Economics	Humanities
20	Ph.D. Design	Design
21	Ph.D. Management	USME
22	Ph.D. Economics	USME
23	Ph.D. Innovation, Entrepreneurship & Venture Development	USME
24	Ph.D. Centre of Excellence for the Science of Happiness	CESH
25	Ph.D. Multidisciplinary Centre for Geoinformatics	MCG
26	Ph.D. Vinod Dham Centre of Excellence for Semiconductors and Microelectronics	VDCoE4SM

RANKINGS, ACCREDITATIONS, AND AWARDS

RANKINGS

Delhi Technological University (DTU) has consistently been ranked among the best 10 engineering institutions in India, as per the various Independent Surveys on the country's Best Engineering Institutions. In 2024, India Today ranked us 6th in the University category and 8th amongst Government Engineering Colleges. The 2024 NIRF Rankings placed Delhi Technological University at the 27th position among engineering institutions.

NAAC ACCREDITATIONS

Delhi Technological University (DTU), formerly known as Delhi College of Engineering, received its first NAAC accreditation in 2019, achieving a Cumulative Grade Point Average (CGPA) of 3.22. These accreditations reflect DTU's commitment to maintaining high educational standards and continuous improvement in its academic and administrative processes.

NBA ACCREDITATIONS

NBA is known for its view on quality parameters and facilities available at educational institutions. Every year Delhi Technological University proposes and attains approval and accreditation for a gamut of programs through the NBA.

Following are the details of NBA accreditation for different Under Graduate and Post Graduate programmes:

Under Graduate Programmes:

S.No.	Programme	Valid Upto
1	Electronics & Communication Engineering	2025
2	Chemical Engineering	2026
3	Engineering Physics	2026
4	Mathematics & Computing	2026
5	Electrical Engineering	2024, 2021, 2020
6	Civil Engineering	2024, 2021, 2020
7	Production & Industrial Engineering	2024, 2021, 2020
8	Biotechnology	2024, 2021, 2020
9	Computer Engineering	2020

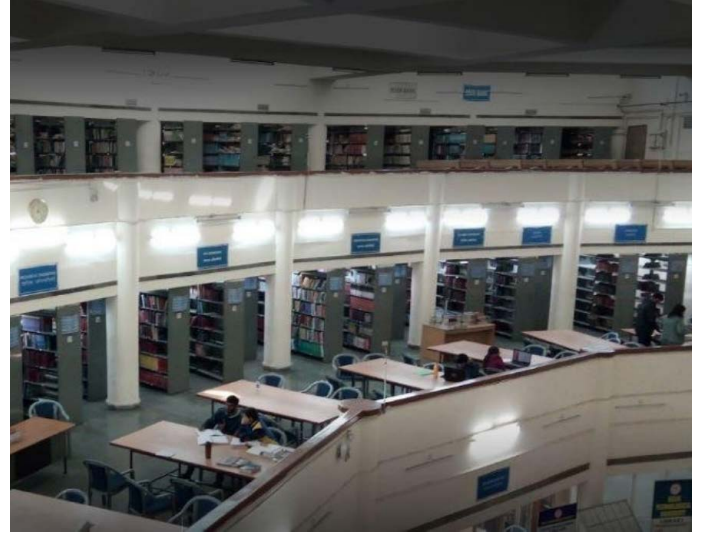

Under Graduate Programmes:

S.No.	Programme	Valid Upto
1	Control and Instrumentation	2027
2	Power System	2027
3	Structural Engineering	2027
4	Geotechnical Engineering	2027
5	Geotechnical Engineering	2025
6	Hydraulics & Water Resources Engineering	2028
7	Signal Processing & Digital Design	2026
8	VLSI Design & Embedded Systems	2026
9	Master of Business Administration	2025

DTU INNOVATION & INCUBATION FOUNDATION (DTU IIF)

DTU Innovation and Incubation Foundation, incorporated under the Companies Act, 2013, fosters entrepreneurship, startups, and intellectual property creation. Established per NCT Delhi's guidelines, it supports incubation centres with infrastructure, resources, and a collaborative environment to drive innovation, create jobs, and contribute to social and economic growth.

Startups

34
STARTUPS

Companies were initiated by students / alumni with the help of the incubation centre

200+
STUDENTS

Are working with the incubation centre / startup

30+
STARTUPS

Raised funds with the help of the incubation centre

Achievements

DTU startup Mechphy AWE Robotics won the best innovation award for 'Combat Simulator for Infantry Training'

Got success at Vimarsh 2023 5G Hackathon, securing the prize of ₹1.5 Lacs for their groundbreaking drone technology

Startup Horse's Mouth Awarded the prestigious TIDE 2.0 Grant from Venture Lab, Thapar University, Patiala

PROGRAMMES OFFERED

DTU-IIF Incubation Programmes

Empowering innovators and entrepreneurs at DTU-IIF to turn visionary ideas into impactful ventures.

Nidhi iTBI-DST

NIDHI ITBI DST fuels women-led startups with financial support for early-stage growth and investment readiness.

Startup India Seed Fund Scheme (SISFS)

SISFS provides financial aid to startups for development, trials, and market entry through incubators.

NASSCOM

NASSCOM Foundation's programs drive tech-led social change through education, skilling, and digital inclusion initiatives.

EVENTS ORGANSIED BY DTU IIF

CENTRES OF EXCELLENCE

1. Vinod Dham Centre of Excellence for Semiconductors and Microelectronics

The Vinod Dham Centre of Excellence for Semiconductors and Microelectronics (VDCoE4SM) at Delhi Technological University (DTU) centre is dedicated to advancing training and research in semiconductor technology and integrated circuit (IC) manufacturing. It aims to boost productivity, address emerging skill gaps, and align academic pursuits with industry needs, thereby supporting India's Semiconductor Mission and fostering a robust research and development ecosystem. In December 2024, VDCoE4SM organized a Faculty Development Program titled "Recent Trends in Semiconductor Technology and Chip Design." This program provided participants with insights into the latest advancements in nanoscale semiconductor devices, advanced sensors, and cutting-edge IC design technologies. The event featured hands-on sessions with state-of-the-art tools for designing and analysing high-performance semiconductor devices and circuits. Additionally, the centre hosted the 11th International Conference on Microelectronics Circuits and Systems (Micro2024) on May 16-17, 2024. This conference brought together experts from academia and industry to discuss emerging trends and research in microelectronics, circuits, and systems. VDCoE4SM continues to contribute significantly to the field of semiconductors and microelectronics, aligning with national initiatives like "Make in India" and "Aatmanirbhar Bharat." Through these initiatives, the Vinod Dham Centre of Excellence for Semiconductors and Microelectronics at DTU plays a crucial role in developing skilled professionals and fostering innovation in India's semiconductor industry.

SEMINAR 2024

INTERNATIONAL CONFERENCE, MICRO2024

2. Nodal Centre for Excellence in Energy Transition (NCEET)

Nodal Centre for Excellence in Energy Transition (NCEET) at Delhi Technological University (DTU) is dedicated to advancing research and development in clean energy technologies, aligning with India's commitment to sustainable energy solutions. The centre focuses on innovative approaches to energy transition. Its mission encompasses the development of sustainable energy technologies, promotion of energy efficiency, and facilitation of the transition from conventional to renewable energy sources. The centre engages in various initiatives, including collaborative research projects, workshops, and seminars, to disseminate knowledge and foster innovation in energy transition. By integrating academic research with practical applications, NCEET aims to contribute to national and global efforts in achieving energy sustainability and reducing carbon footprints. Through its dedicated efforts, the Centre of Excellence in Energy Transition at DTU plays a pivotal role in shaping the future of energy systems, supporting the nation's goals for a cleaner and more sustainable energy landscape.

3. Centre of Excellence for Electric Vehicles and Related Technologies

The University has established a centre of excellence for Electric Vehicles and Related Technologies (CoE for EVRT) to impart training & research in thrust area of Electric Vehicles and Related Technology. The centre will help in developing an eco-system for transformation from a traditional to eco-friendly transportation system. State-of-the-art facility for training & testing will be created to carry out interdisciplinary research in Electric Vehicles and associated areas. This Centre is jointly funded by Delhi Knowledge Development Foundation (DKDF), Govt. of NCT of Delhi and Delhi Technological University, Delhi. CoE for EVRT focused research areas will include, but not be limited to design, development, and analysis of electric vehicle motors and drives, charging station infrastructure, charge controllers, communication infrastructure for information dissemination between the power grid and EVs, battery management systems, retrofitting, etc. This Centre is not only providing interdisciplinary research and development ecosystems but also offering internships, skills development courses, entrepreneurship programs and facilitating industrial trainings for undergraduate/postgraduate students and research scholars. In addition, the Centre will also offer regular PG/certificate courses in the near future. The facility will strive for networking and collaboration with industries, research laboratories, and other institutions of excellence in India and abroad to carry out cutting-edge research and development in EVs, along with offering postgraduate programmes.

CoE for EVRT

4. Centre of Excellence in Disaster Risk Reduction

In view of the possibilities of catastrophic consequences in India arising due to various natural disasters, viz. environmental and climate change related hazards, earthquake, landslide, flood, cyclone, GLOF, fire etc., that may affect several neighbouring countries together at a time, it becomes imperative that these countries pool together their resources and expertise, especially in the field of science and technology. Taking the lead in disaster risk reduction, Department of Civil Engineering, Delhi Technological University (DTU) is proposing to establish a Centre of Excellence in Disaster Risk Reduction (COEDRR). The COEDRR would endeavor to develop itself as a nodal Centre in Disaster Risk Reduction in the country by creating expertise to innovate new technologies to reduce the impacts of natural and man-made disasters through multi-disciplinary technological and scientific approach. Besides, the Centre of Excellence (CoE) also proposes to run Foundation Elective Courses (FEC) viz. Climate Change and Disaster Risk Reduction (DRR), Earthquake Safety, Fire Safety etc., M. Tech. program in Disaster Mitigation and Management (DMM) and joint PhD programme in DMM and allied areas in collaboration with leading national and international institutes and organizations.

5. Centre of Excellence for The Science of Happiness

The primary mission of DTU's Centre is to promote research, training, and education focused on well-being for both students and faculty. By applying the science of happiness, the Centre aims to enhance the quality of life by fostering positive emotions and nurturing strong relationships. This approach is rooted in the belief that cultivating happiness can lead to improved mental health, increased productivity, and a more harmonious community. Through various programs and workshops, the Centre seeks to equip individuals with the tools and knowledge necessary to lead fulfilling lives. By integrating these practices into the university's culture, DTU aspires to create an environment where personal growth and academic excellence go hand in hand, ultimately contributing to the holistic development of its community members.

6. Entrepreneurship Development Centre (EDC)

The aim of the centre is to develop an institutional mechanism to create entrepreneurial culture in science and technology and to foster techno entrepreneurship and knowledge enterprise development for generation of wealth and employment by personals. The centre guides the budding students to pursue entrepreneurship as their career. At the nascent stage, the centre has organised experiential workshop on entrepreneurship under the government's Technical Education Quality Improvement Programme (TEQIP), and has hosted a start-up business plan competition in the annual fest Traction which saw participation from various leading institutions such as IIM Lucknow, IIM Shillong, IIM Rohtak, among others, from various parts of India, with a participation from over a hundred management students. It has worked with the Enactus programs to engage in social ventures that help improve the quality of life for the people in need.

7. Centre for Community Development and Research (CCDR)

The Centre for Community Development and Research (CCDR) at Delhi Technological University was established with a vision to promote sustainable livelihoods, inclusive growth, and environmental sustainability while addressing the needs of local and marginalized communities. It combines grassroots initiatives with academic research to empower communities and foster equitable development. The CCDR adopts a multidisciplinary approach to tackle societal challenges through frugal innovations, providing cost-effective and resource-efficient solutions tailored to the realities of a developing country like India. The centre is committed to identifying and solving local issues through technology-driven strategies that enhance community resilience and sustainability. CCDR envisions creating resilient, equitable societies by fostering sustainable livelihoods, empowering communities, and promoting environmental stewardship. In the future, CCDR will continue to engage in capacity-building and implement community-focused projects in collaboration with residents, community leaders, and local organizations. Its initiatives will address economic development, social inclusion, and environmental sustainability, ensuring that no community member is left behind. Additionally, the centre will conduct impactful research to deepen the understanding of community dynamics, evaluate interventions, and identify best practices for effective community development.

8. Multidisciplinary Centre for Geoinformatics (MCG)

The Multidisciplinary Centre for Geoinformatics (MCG) at Delhi Technological University was inaugurated in 2019. The MCG has been established with the vision to be a world class multidisciplinary centre in the field of geospatial and geoinformatics education, research and consultancy. The Centre is currently progressing a few projects / awards / fellowships awarded by Department of Science and Technology, New Delhi, Space Applications Centre, ISRO, Ahmedabad and National Mission on Himalayan Studies, Almora. Besides, students are currently enrolled for M.Tech. along with Ph.D at the Centre. In future, the Centre aims to work in close coordination with Central / State Government Agencies and Industries in fulfilment of Government objectives, capacity building, research and consultancy.

ABOUT DELHI SCHOOL OF MANAGEMENT (DSM)

Delhi School of Management (DSM), established in 2009, extends the legacy of Delhi College of Engineering (DCE) by fostering innovation and excellence in management education. Offering MBA, Executive MBA, and Ph.D. programs, DSM is NBA-accredited and supports DTU's engineering departments. It provides a state-of-the-art learning environment with industry-driven curricula, internships, and networking opportunities. Emphasizing entrepreneurship, ethical leadership, and practical learning, DSM integrates guest lectures and field projects. A vibrant campus life includes business quizzes, debates, and sports events. With a diverse student body and expanding facilities, DSM continues to develop socially responsible, technologically adept leaders for sustainable business solutions.

VISION

To be among the leading world class management education and research institutions for meeting the contemporary and emerging challenges of business and society.

MISSION

To develop socially responsible and ethically driven innovative managers and future leaders.

To evolve a system of quality education and research in management through sustained institutionalized efforts of students and faculty.

To equip the students with contemporary and emerging developments in the field of management.

PROGRAMMES OFFERED BY DSM

DSM offers a range of management programs designed to cater to diverse professional aspirations, integrating contemporary business trends with academic excellence.

Master of Business Administration (MBA)

Master of Business Administration (Executive)

MBA (Business Analytics)

**MBA (Innovation, Entrepreneurship
and Venture Development)**

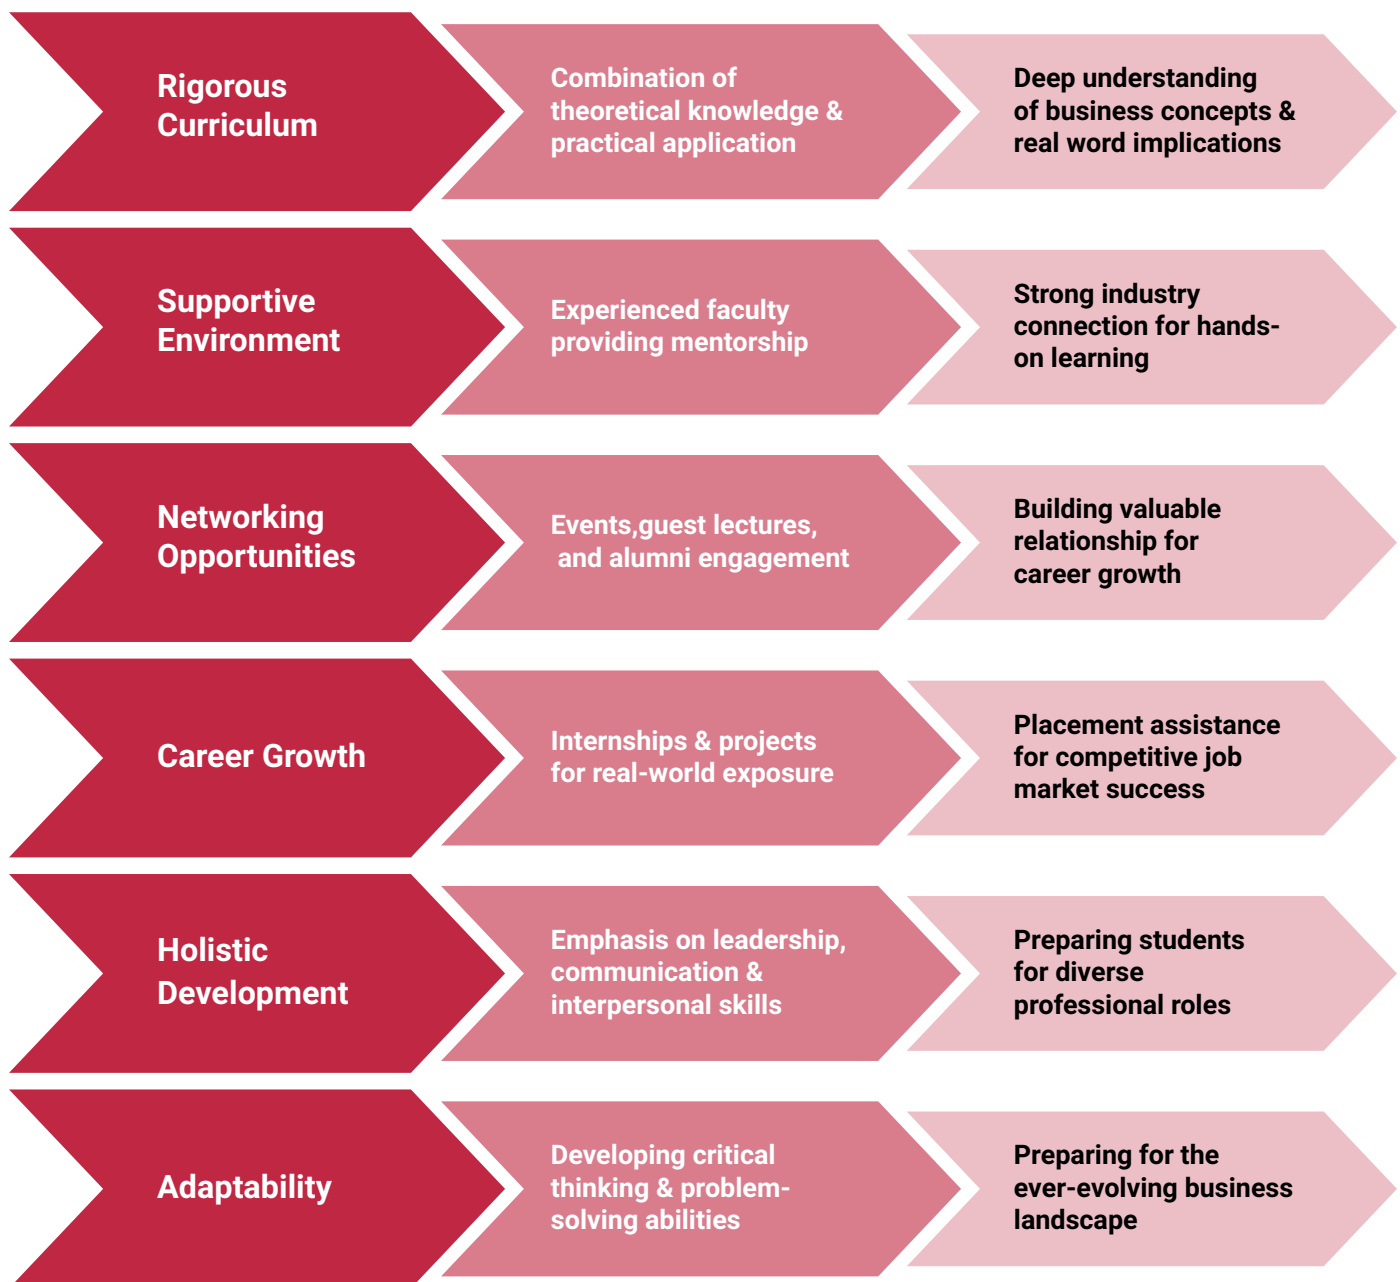

PhD Program

About Master of Business Administration (MBA) Program

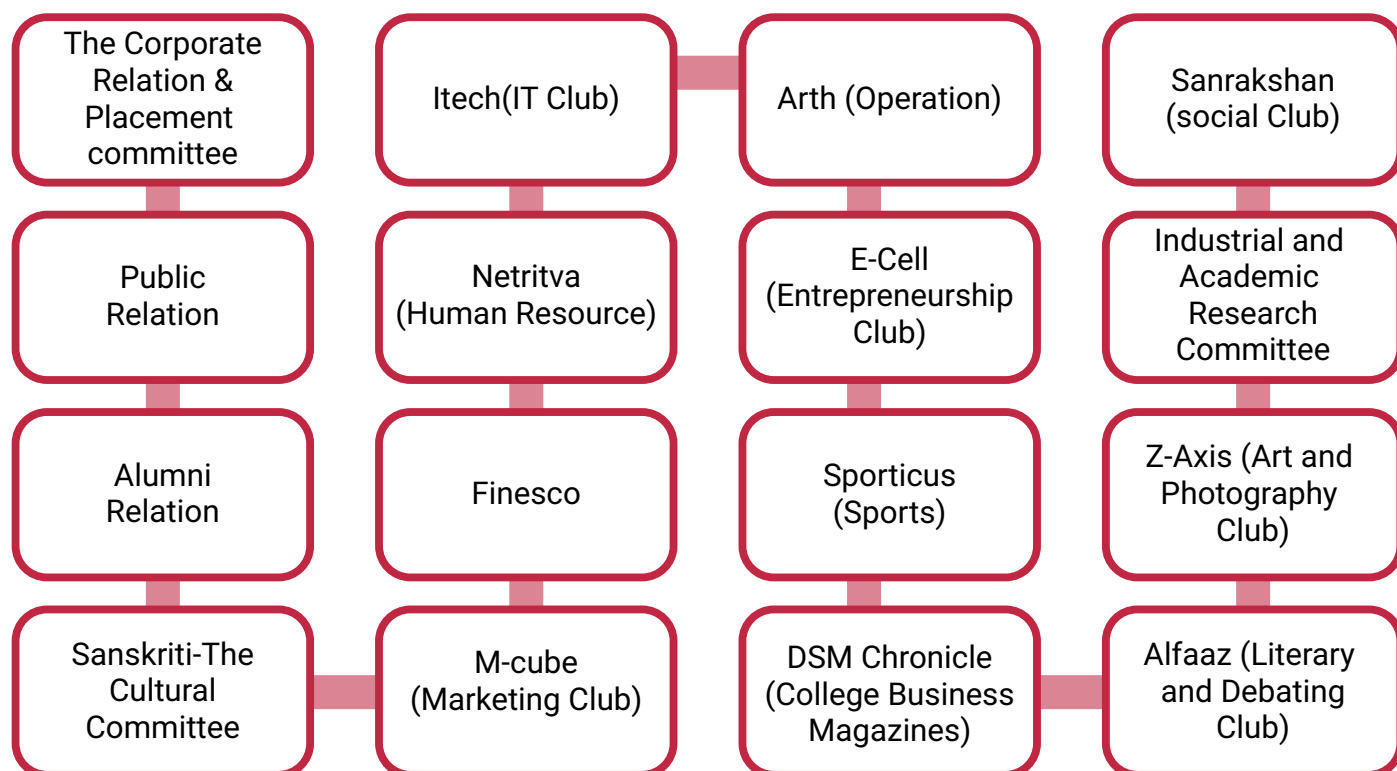

The MBA program at Delhi School of Management (DSM) develops future leaders by imparting business knowledge, strategic problem-solving, and leadership skills. DSM follows the Triple E approach—Education, Experience, and Exposure—ensuring students gain managerial competence through quality teaching and professional training. The program follows a semester-based, choice-based credit system, allowing flexibility and interdisciplinary learning. This year, DSM has consolidated all MBA seats to its prestigious main campus, enhancing resources, networking, and academic support. With this strategic move, DSM now offers 270 seats, unifying its learning environment to provide students with a more comprehensive and enriched educational experience.

Why MBA from DSM?

DSM - Your Path to Excellence

Beyond Academics @ DSM

EVENTS @ DSM

In the AY 2024-25, Delhi School of Management hosted a range of events organized by its clubs and committees. These events offered students opportunities for learning, skill development, and networking, fostering personal and professional growth through workshops, seminars, competitions, and other engaging activities.

Orientation Programme

Public Relations Committee

01st - 02nd August' 2024

The 2024 batch orientation program aimed to familiarize students with academic expectations, introduce them to campus facilities, and provide information about available student services. This initiative was intended to help students adjust smoothly to university life and succeed academically.

Industrial Visit to National Stock Exchange

Finesco

7th October' 2024

Finesco successfully organized an Industrial Visit to the National Stock Exchange (NSE), Delhi, on 7th October 2024. Participants had the opportunity to explore the core functions of one of India's leading stock exchanges, gaining insights into trading operations, risk management, and regulatory frameworks. The visit provided a practical understanding of financial markets, enhancing their knowledge of capital markets and investment mechanisms.

Guest Lecture by Mr. Trilok Kumar, Area Sales Manager, Dabur (Ex- PepsiCo)

MCube

15th October' 2024

A guest lecture on "Sales and Marketing Career Opportunities and Growth Paths" was delivered by Mr. Kumar. His engaging talk covered various career paths in the field, emerging industry trends, and essential skills required to succeed. The session provided valuable insights for students aspiring to build a career in sales and marketing.

Guest Lecture by Piyush Mittal, Global head (Talent Acquisition), Evalueserve

IARC

21st October' 2024

In this engaging session, Piyush Mittal provided valuable guidance on how to navigate critical career choices, adapt to future trends, and align personal passions with professional ones.

Guest Lecture by Mr. Amit Jain, Founder of A&M

Arth

24th October' 2024

A lecture on "Operations & Supply Chain Management" provided students with valuable insights into the intricacies of managing operations and optimizing supply chains. Additionally, the session on "Leadership & Cooperation for Career Advancement" emphasized the importance of leadership skills and teamwork for professional growth and success in any career field.

Guest Lecture by Ms. Manasvi Bansal, Assistant Manager, KPMG

Netritva

5th November' 2024

The HR Club at DSM, DTU, hosted a guest lecture on "HR's Role in the Global Energy Revolution" on November 5, 2024, featuring Manasvi Bansal (KPMG). She highlighted HR's role in sustainability, strategies for energy transition, and career opportunities in HR and sustainability. The session provided students with real-world insights into integrating HR practices with business sustainability. Attendees gained valuable career guidance and a deeper understanding of HR's evolving role in the energy sector. The event successfully bridged academia and industry, inspiring students to explore HR's impact on sustainability.

Guest Lecture by Srishti Madan Sharma, Fund Manager at Fidelity

Finesco

8th November' 2024

Finesco hosted a Guest Lecture on November 8, 2024, with Srishti Madan Sharma, Fund Manager at Fidelity, discussing emerging trends, investment strategies, and the evolving role of fund managers, offering attendees valuable market insights.

Guest Lecture by Ms. Charu Sharma, Grant Thornton Bharat LLP & Mr. Nitin Sharma, Cvent

Netritva x CRC (Corporate Relations and Communications)

11th November' 2024

The HR Club Netritva at DSM, DTU, in collaboration with CRC, hosted a guest lecture on November 11, 2024, where industry experts Ms. Charu Sharma and Mr. Nitin Sharma shared insights on strategic management, sustainability, and HR trends, offering students valuable industry exposure and career guidance.

Guest Lecture by Brent Furneaux, Associate Professor, University of Windsor's Odette School of Business and Director of its Master of Management program

Finesco

25th March' 2025

The speaker discussed the origins and implications of AI, particularly generative AI. The discussion includes the definition and uses of generative AI, the foundation and evolution of general-purpose intelligence, the internet as a knowledge structure, prompt engineering challenges, the concept of emergence in AI, and the use of generative AI for learning support. Key points cover AI's ability to learn and adapt, the importance of the attention mechanism, the challenges of prompt engineering, and the distinction between different AI models.

ITech

22nd October' 2024

ENTREPRENEURIAL INITIATIVES

Having an entrepreneurial mindset is a key for success in business, and today, entrepreneurs are more important than ever before in advancing the social and financial make-up of nations across the globe. Under the aegis of DTU-IIC, DSM organizes various sessions, workshops, and seminars to foster entrepreneurial spirit in the young minds so that it leads to generation of wealth and employment opportunities.

Workshop by Ms. Anju Jain, Head of Partnerships & Operation, Pickl.AI and Mr. Shailabh Verma, Head of Growth, Pickl.AI

E-Cell

30th August' 2024

A workshop on "Achieving Value Proposition Fit and Business Fit" was held, where industry experts provided valuable insights into developing strong value propositions. They explored strategies for aligning business offerings with customer needs, emphasizing the importance of creating products and services that connect with target markets and deliver tangible value, ultimately driving business success.

Workshop by Mr. Sachin Tiwari, Head of HR - Magicpin

E-Cell and CRC

12th November' 2024

Mr. Sachin Tiwari, HR Head at Magicpin, conducted an insightful session on "Corporate Journey - Navigating HR Across Industries" in collaboration with the Corporate Relations Committee, DSM. He shared his valuable experiences, offering a deep understanding of the evolving role of HR in today's fast-paced and dynamic business environment.

Workshop by Mr. Karanjeet Singh Uppal, Associate Vice President, Accenture

E-Cell

27th February' 2024

DSM, in collaboration with E-Cell, HRDC- DTU, and IIC-DTU, organized a workshop on "Effective Sales and Marketing Strategies for Entrepreneurs and Startups" at DTU. Mr. Karanjeet Singh Uppal, Associate Vice President at Accenture, delivered an insightful session on customer engagement, brand differentiation, and digital marketing. The workshop provided aspiring entrepreneurs with practical frameworks for sales and business growth. An interactive Q&A session allowed participants to discuss industry-specific challenges and receive expert guidance.

B-Plan Competition

IIC

25th February' 2025

DSM, DTU in collaboration with IIC, DTU successfully hosted the finale of the B Plan Competition, on 25th February 2025, where 13 teams competed to present their innovative business ideas. The event aimed to foster entrepreneurial thinking and provide a platform for budding business minds to showcase their creativity and strategic planning. Industry expert, Mr. Anurag Srivastava, CEO and Director of Mad Over Print Pvt Ltd was invited to judge and share his expertise.

The poster for the B-Plan Finale event features a dark background with orange and white text. At the top, logos for Delhi Technological University, Delhi School of Management, E-Cell DSM, and IIC-DTU are displayed. The main text reads: "DELHI TECHNOLOGICAL UNIVERSITY DELHI SCHOOL OF MANAGEMENT E-CELL DSM IN COLLABORATION WITH IIC-DTU PRESENTS B-PLAN FINALE". A circular badge on the left states "PRIZE POOL OF ₹10,000". On the right, a photo of Mr. Anurag Srivastava is shown with the text: "CEO AND DIRECTOR MAD OVER PRINT PVT. LTD. RECOGNIZED AS A 30 UNDER 30 RISING ENTREPRENEUR BY BUSINESS WORLD IN 2021". Below this, the event schedule is listed: "Initial Round - 15th February, 2025" and "Finale Round - 25th February, 2025". The location is "Delhi School of Management". At the bottom, five circular portraits of the event organizers are shown with their names and titles: Chief Patron (Prof. Prateek Sharma, Vice Chancellor DTU), Patron (Prof. Madhusudan Singh, Registrar, DTU), Organizer (Dr. Saurabh Agrawal, HOD, DSM, DTU), Coordinator (Dr. Deepali Malhotra, Assistant Prof., DSM, DTU), and Coordinator (Dr. Chandan Sharma, Assistant Prof., DSM, DTU). A contact number is provided at the bottom: "For more Details Contact - Kartikey Vashishth (9670844888)".

E-Talks'24

E-Cell

9th April' 2024

On April 9, 2024, E-Talks'24 was organized by E-Cell, DSM, DTU, at B.R. Auditorium, themed "Leadership, Innovation & Growth." The event featured inspiring talks from Colonel Kaushal Kashyap (SC), Mr. Vaibhav Goel, and Ms. Preena Agarwal, who shared insights on leadership, innovation, and financial strategies. Attendees gained valuable knowledge on resilience, strategic thinking, and navigating the evolving business landscape. The session empowered aspiring entrepreneurs with actionable insights to drive growth and innovation. E-Talks'24 left a lasting impact, fostering adaptability and entrepreneurial excellence.

COMMUNITY ENGAGEMENT

DSM DTU, through diverse initiatives, fosters community engagement. From volunteering drives to collaborative projects, students and faculty unite for societal impact. Workshops, seminars, and outreach programs bridge academia and local communities, empowering all involved. These activities cultivate empathy, sustainability, and innovation, enriching both DSM, DTU and the wider society.

Donation Drive 3.0

Netritva

22nd – 23rd October' 2024

The HR Club Netritva at DSM, DTU, successfully organized Donation Drive 3.0 on October 22nd and 23rd, 2024. The collected donations were contributed to the NGO Baadte Kadam, supporting those in need. The initiative aimed to foster social responsibility and make a positive impact on the community. The event saw enthusiastic participation, reinforcing the spirit of giving and compassion.

SPORTS AND RECREATION HIGHLIGHTS

At our institution, we believe in nurturing not just the mind, but also the body. Sporticus- the Sports Club of Delhi School of Management organises various sports events to ignite passion, foster camaraderie, and celebrate the indomitable spirit of athleticism. The activities promote a sense of togetherness, fair play, and solidarity among students promoting a vibrant sporting culture within the Delhi School of Management community.

IIFT Delhi Tournament (Adrenaline' 25)

Sporticus

07th – 09th February' 2025

The inter-college sports competition at IIFT Delhi was a fantastic event! The basketball team triumphed, securing 1st prize with an outstanding performance. Meanwhile, the volleyball and futsal teams gave it their all, reaching the semifinals and impressing everyone with their skills, though they just missed out on the finals.

DSMPL' 25 Auction

Sporticus

15th February' 2025

The DSMPL'25 auction took place ahead of the highly anticipated DSMPL 25 Cricket League. Teams bid passionately for top players, aiming to build the best squad for the upcoming season. The auction was filled with excitement, as strategies and fierce competition shaped the lineup for the thrilling cricket league.

MANAGEMENT FACULTY

The faculty at Delhi School of Management (DSM), DTU, comprises a distinguished group of academicians and industry experts with extensive teaching, research, and professional experience. Many faculty members hold prestigious qualifications from premier institutions such as IITs, IIMs, and top global universities, bringing expertise in diverse domains including finance, marketing, human resource management, operations, e-governance, data analytics, and sustainability. With a strong research focus, DSM faculty have published over 400 papers in reputed national and international journals and have received accolades like the DTU Research Excellence Award 2023. They actively engage in consultancy projects with institutions such as ICSSR, DST, and NIELIT, contributing to policy formulation and industry best practices. Their research spans critical areas like corporate finance, behavioral economics, digital marketing, machine learning, supply chain management, organizational behavior, and strategic decision-making. Beyond research, faculty members mentor students, lead industry collaborations, and participate in international conferences. Through their academic rigor and industry-driven approach, the faculty at DSM play a pivotal role in shaping future business leaders and advancing management education.

TRAINING AND PLACEMENT

The Placement Committee at DSM, DTU plays a crucial role in connecting students with top recruiters, ensuring a seamless placement process. Supported by the Central Training and Placement Department, the committee brings leading companies to campus and enhances students' corporate exposure. It organizes industry interactions, corporate visits, internships, and live projects to help students gain real-world insights. Operating under faculty guidance, the student-driven team provides career counseling and skill-building programs. Through networking opportunities and hands-on experiences, the committee equips students with the expertise needed to excel in their careers, making their transition into the professional world smooth and successful.

The Placement Cell understands very well that the final placements and summer internships are the most important landmarks of any student's career and hence, the student coordinators and faculty mentors put in their best so as to achieve the targets and provide what is best for the candidates. The major recruiters are KPMG Global, KPMG India, E &Y, Barclays, PWC, Cipla, Oracle, Apollo and S & P Global to name a few and there are constant efforts to expand this list.

ALUMNI TESTIMONIALS

Shah Nawaz

AM (ATC), Airports Authority of India

My experience at DTU, DSM was excellent, with a well-structured curriculum and outstanding faculty. The teaching methods made learning engaging and insightful. Guest lectures and seminars by industry experts provided valuable real-world exposure. The vibrant student community and interactive activities enhanced the learning experience. Overall, DTU, DSM played a key role in my academic and professional growth.

Ankur Rana

Senior manager, Steel Authority of India Limited

As an alumnus of DSM, DTU, I'd say the MBA experience is transformative and enriching. The program combines academic rigor with ample industry exposure through case studies, internships, and corporate interactions. It's a place where you build analytical and leadership skills while forging lifelong connections. The vibrant campus culture adds an extra layer of growth and memories, making it a truly well-rounded journey.

Deepak Verma

Head of Business Applications Engineering and Site Reliability Engineering, Clix Capital

I would like to express how proud I am of being an alumnus of DSM, DTU. The institution's dedication to academic excellence and emphasis on holistic development had truly made a significant impact on my educational journey. The faculty members are not only educators but also mentors who are invested in their students' success. The practical approach to learning, industry exposure and critical thinking skills have provided me with valuable skills that undoubtedly helped me in my career growth. Being part of a diverse and dynamic student community has broadened my horizons and enriched my learning experience. The campus provides an ideal environment for academic growth and personal development, with modern facilities and resources readily available. I am grateful for the opportunities and experiences gained at DSM.

Summy Kataria

Region Manager, APAC, Xvoucher

My time at DSM was nothing short of transformative. From the moment I stepped onto campus, we were enveloped by an atmosphere of innovation and collaboration with DTU students, which helped us in many aspects. Beyond academics, DSM offered numerous opportunities for personal and professional growth. Networking events, guest lectures, and committees provided invaluable insights into industry trends and career pathways. Our entire batch collaboratively worked day in and day out with placement team, which was instrumental in helping us navigate internship opportunities and secure employment post-graduation, ensuring a smooth transition into the workforce. Reflecting on my time, I am grateful for the lasting friendships forged, the lessons learned, and the memories created. Whether it was group study sessions, spirited debates in the classroom, or celebrating successes at campus events, each moment contributed to our growth and development as a business leader. In conclusion, I am immensely proud to be a graduate of DSM and I look forward to paying it forward by contributing to the legacy of excellence and innovation that defines Delhi School of Management.

Shivam Pant

Senior Manager- Business Transformation Service, Alvarez & Marsal India

My MBA experience was a game-changer. It sharpened my analytical thinking, strengthened my problem-solving skills, and gave me a solid foundation in strategy and operations. The case-based learning and exposure to real-world business challenges directly prepared me for the dynamic and fast-paced nature of consulting. It gave me the confidence to navigate ambiguity, communicate with impact, and deliver value to clients from day one.

COURSE CURRICULUM OF MBA

MBA Program is a two-year full time professional program spread over four semesters, which combines rigorous academic schedules with proactive efforts to develop new perspectives and a higher level of knowledge and understanding.

The Program focuses on inculcating effective managerial and leadership skills. The first year of the program offers core courses to develop the right attitude, knowledge and skills which are essential for a leader in the long term. The elective courses offered in the second year give students an opportunity to delve deeper in their respective areas of specialization and thus cater to the role and sector specific career objectives.

Types of Specialization

The syllabus has been designed to provide more flexibility and freedom to the students to choose a combination of specialization and electives from the basket.

A student can opt for:

Major/Minor Specialization

Or

Dual Specialization

Note: In addition to major/minor/dual specialization, students may also make their own basket of courses across functional areas. In such cases, MBA degree without any specialization shall be awarded.

No. of papers to be opted under the above combinations:

1. Major (3 each in III & IV Sem)
2. Minor (1 each in III & IV Sem)
3. Dual (2 each in III & IV semester)

However, as per the policy, a particular elective paper shall be offered only as per University norms. The department may also restrict some of the combinations of specialization/electives keeping in view the industry trend, job opportunities and students' preferences.

ADMISSION PROCESS, CMAC-2025

Delhi School of Management, DTU follows an online process of application for the MBA program. Centralized Counselling for admission to MBA program for pioneering universities of Govt. of NCT of Delhi, namely Delhi Technological University (DTU), Netaji Subhas University of Technology (NSUT) and Indira Gandhi Delhi Technical University for Women (IGDTUW) will be conducted through Common Management Admission Committee CMAC, 2025.

Prospective candidates are required to fill a single online application form on the website <http://www.dtu.ac.in/www.cmacadmissions.com> to participate in the centralized admission under CMAC-2025.

INTAKE

Under CW sub-category, the seats will be filled based on the priority, i.e. all eligible candidates of priority-I will be allotted seats based on their ranks until the ranks exhaust or seats exhaust under CW sub category. Remaining vacant seats, if any, will be allotted to the priority-II in the similar way, and so on.
- vi. The reservation under CW sub category is available only to such candidates who fall under the listed priorities.
- vii. It is the sole responsibility of the candidate to prove his/her eligibility for claiming reservation under any of the reserved categories/sub categories. The candidates claiming reservation under SC/ST/OBC/EWS/KM categories, CW/PwD sub-categories will be required to upload scanned copy of the respective certificates and produce the original certificate of the respective reserved category/sub-category issued by the competent authority (as mentioned in this information brochure) in the respective institutes at the time of physical verification of the documents. If the reserved category/ sub-category certificate is not found in order, no benefit of the reserved category/ sub-category will be given and the candidate shall be considered for allotment in GENERAL category in subsequent rounds on submission of written request by the candidate to CMAC in person or email in this regard, as per the eligibility of the candidate and availability of seats. **If such candidate is able to produce his/her category certificate before the commencement of further round, he/she shall be considered for the category in that round and will be allotted a fresh seat as per the vacancy available and his/her merit.**
- viii. After exhausting the complete list of candidates (category-wise) as per prescribed norms, any unfilled seats pertaining to any category may be filled by increasing general category seats, in equal number, during the SPOT round of counselling.

ELIGIBILITY AND ADMISSION PROCEDURE

1. Minimum Eligibility Criteria

a) A candidate who has passed any Bachelor Degree examination with minimum 60% marks in aggregate or equivalent CGPA from a recognised university/institution and valid CAT- 2024/MAT-2024 /MAT-2025 score. However, a relaxation of 10% in marks to SC/ST/PWD candidates shall be given in minimum eligibility criteria.

b) The student should hold a degree from any of the universities incorporated by an act of the central or state legislature in India, or other educational institutions established by an Act of Parliament or declared to be

deemed as a university under section 3 of UGC Act, 1956, or possess an equivalent qualification recognized by the Ministry of Education, Government of India.

c) Those who are appearing in final semester examination may also apply, provided that they submit:

(i) The proof of eligibility by a specific date declared by the University, and

(ii) Valid CAT/MAT score at the time of application, otherwise the admission of the candidate to the university will be cancelled.

Candidates appearing in final semester/year must secure a minimum of 60% aggregate marks upon declaration of results; otherwise, their admission will stand cancelled.

In case the conversion formula for CGPA is not provided by the concerned Institute/ University, equivalent percentage shall be computed as per following formula:

$CGPA \times 10 = \text{Percentage of Marks}$

Note: At any stage of the program, if it is found that the candidate does not fulfil the eligibility criteria, his/ her admission shall be cancelled and fee shall not be refunded.

2. Selection Procedure

a) The applications received will be shortlisted based on performance in CAT- 2024/MAT-2024/MAT-2025.

b) The shortlisted candidates will be required to appear for a Personal Interview.

c) The merit list will first consider the candidates with valid CAT 2024 **percentile** and after the CAT 2024 candidates are exhausted, the candidates with MAT 2024/ 2025 **percentiles** will be considered in the merit list. In case any candidate has appeared in both MAT 2024 and MAT 2025, best of two will be taken into consideration.

CAT percentile (rounded upto two decimal places) of 2024 will be considered whereas the best percentile of MAT 2024/MAT 2025 will be considered.

Priority 1 along with weightage to different components would be:

S.No.	Weightage
1.1 CAT* 2024 percentile	50%
1.2 Class 10th aggregate percentage	10%
1.3 Class 12th aggregate percentage	10%
1.4 Personal Interview	20%
1.5 Work Experience (after graduation)**	10%

Priority 2 along with weightage to different components would be:

S.No.	Weightage
2.1 MAT* 2024/2025 percentile (Higher in case of both)	50%
2.2 Class 10th aggregate percentage	10%
2.3 Class 12th aggregate percentage	10%
2.4 Personal Interview	20%
2.5 Work Experience **(after graduation)	10%

*The cut off for CAT 2024 and MAT- 2024/2025 will be decided by the CMAC committee.

** Criteria of Work Experience Marks (Out of 10)

Work Experience (In Months):	Marks
30 to 42 Months:	10
24 to 29 Months & 43 to 48 Months	08
18 to 23 Months & 49 to 54 Months	06
12 to 17 Months & 55 to 60 Months	04
Less than 12 Months & More than 60 Months	NIL

Note: Internship or Articleship would not be counted as part of work experience

d)The allotment of universities will be based on the candidate's rank in the merit list (within their respective category), subject to eligibility, seat availability in the respective category, and the candidate's stated preference of university at the time of application.

e)In case of tie in the final merit list, the following criteria shall be used:

(i) The candidate with higher entrance test percentile shall be ranked higher (CAT/MAT as applicable).

(ii) In case of tie in CAT/MAT percentile, the candidate shall be ranked according to the date of birth i.e., the person older in age will be ranked higher.

(iii) In case of tie in age criterion, random number will be used to break the tie.

ADMISSION COUNSELLING PROCEDURE

1 Registration Process

All candidates desirous of seeking admission to the MBA programs at DTU, IGDTUW and NSUT are required to visit **website www.dtu.ac.in/www.cmacadmissions.com** and fill registration form, pay a non-refundable registration fee and fill the choices for allotment of seat. The details of registration fee are given below:

CATEGORY	Amount
General/ OBC / EWS/ SC/ST/PwD/KM	₹1,500/ + the applicable transaction fee

The detailed instructions regarding how to fill the application form will be made available on website: www.dtu.ac.in/www.cmacadmissions.com

Documents to be uploaded at the time of registration

Following is the list of documents required for uploading at the time of filling up of online application form:

a)Degree and mark sheets of the qualifying examination or undertaking along with mark sheets till the previous semester

b)Certificates and Marks sheet of the 10th and 12th examination.

c)Scanned copy of CAT-2024/MAT-2024/ MAT-2025. Student must possess CAT/MAT Login ID and Password for online verification.

d)Date of Birth Certificate as indicated in High School or equivalent examination.

e)Reserved category/sub-category certificates, if applicable.

f)Experience certificate(s)

g)Recent passport size photograph

h)Undertaking (if Required)

Note: The OBC-NCL candidates can submit old certificates and undertakings at present in the application form. However, the candidates must submit the OBC-NCL or EWS certificates issued after March 2025 at the time of Personal Interview and Document Verification.

2 Admission Process

a) The shortlisted candidates will be called for Personal Interview and document verification in physical mode. The venue and date for the same will be announced on www.dtu.ac.in/www.cmacadmissions.com. The merit list of the eligible candidates will be announced on CMAC website before the first round of counselling.

b) Admission shall be made on the basis of a combined merit list prepared on the basis of CAT- 2024/ MAT- 2024/ MAT-2025 percentile, marks in class 10th, class 12th, performance in Personal Interview, and work experience.

c) The candidates will be allotted seats (online) based on their rank in the merit list within their respective category, subject to eligibility and availability of seats in that category.

2.1 Payment of seat acceptance fee

A candidate, who is allotted a seat in any round of counselling, is required to pay the part admission fee of Rs. 1,00,000/- (Rs. One Lakh only) as per the payment mode instructed in the guidelines of counselling.

All the candidates who get an allotment will have to pay part admission fee (Rs.1,00,000 – Rupees One Lakh only) as per the admission schedule, failing which his/her allotted seat will stand automatically cancelled and the candidate will not be considered for subsequent rounds of seat allotment. However, such candidates are eligible for a spot round of counselling. Balance fees need to be paid by the candidate in the respective University at the time of academic registration.

Note : If the candidate is allotted a seat in a round and he/she does not pay the required academic fee as per counselling schedule, his/her allotted seat shall be cancelled and he/she will not be considered for any seat allotment in subsequent rounds (except spot round).

2.2 Upgradation

After each round of counselling, candidates will be automatically upgraded based on the preferences provided during registration. The upgradation will be subject to the candidate's preference, rank in the merit list, eligibility for the respective university, and availability of seats in the respective category.

Note: The candidates are advised to fill in their preferences carefully. No change will be allowed at a later stage.

3. Spot round

Details of spot round will be notified on the university website www.dtu.ac.in/www.cmacadmissions.com

Note-Fresh applications against vacant seats, if any, may be invited and may follow an alternate admission criterion in spot round of admissions by CMAC.

* Any change in the counselling schedule due to unforeseen circumstances shall be announced on the university/CMAC website. Candidates are advised to visit the website regularly.

** Special spot round may be conducted by the university after the spot round depending upon the availability of vacant seats.

4. Reporting at final allotted university

All provisionally admitted candidates are required to visit the website of allotted university for physical verification of original documents/commencement of classes and payment of balance fee (if any). Admitted candidates need to pay the balance fee at the final allotted University AS PER FEE PAYMENT SCHEDULE available on respective university website, failing which, the admission of the candidate automatically stands cancelled ipso facto.

WITHDRAWAL POLICY

S. NO	Percentage of Refund of aggregate fee(Exclusive of Caution Money/Security Deposit)	Point of Time when application for withdrawal of admission is received
1	100%	15 days before the formally notified last date of admission**.
2	80%	Not more than 15 days after the formally notified last date of admission.
