MESSAGE

It is my immense pleasure to announce the commencement of admission process of the MBA programme for academic year 2024-25 at Delhi Technological University.

Delhi Technological University, built on a sprawling 164-acre lush green campus, is a prestigious university with a vision to be World Class University through education, innovation and research for the service of the humanity. The university is committed to deliver quality education through various UG and PG level programmes, which are periodically evaluated by internal and external audit agencies. The university ensures the industry-academia interaction through the able guidance provided by experienced and highly qualified faculty both from industry and academia, supported by tech-enabled facilities. The university offers various interdisciplinary and industry relevant programs both at UG and PG level in science, technology, management and allied areas, preparing students to lead and manage in the increasingly technology-intensive global environment. The university has also introduced Continuous and Comprehensive Evaluation System in tune with National Education Policy (NEP), to maintain the quality, integrity, and outcomes of every programme.

Keeping in pace with the ever-growing demands of the professionals in the corporate world, our MBA (2-year FT) programme is aimed to bridge the theory-practice gap. The MBA program is designed in such a way so as to ensure student satisfaction and teaching quality, along with an offering of innovative curricula. The curriculum will provide you with a strong foundation and the skills to build a successful and lasting business career. The course curriculum is a blend of conceptual class room teaching and experimental learning through industry interaction by the distinguished faculty sourced from industry and academia both. The pedagogy provides real time exposure and hands on training to understand and analyse the contemporary business scenario. We empower students to drive innovation and positive change through cutting-edge, value-driven education focused on emerging professional needs. By cultivating an inclusive learning community and stressing social responsibility, we prepare graduates to utilize their distinct skills in service to society as well.

I believe that becoming a part of the DTU fraternity will add substantial value to your professional career. I hope that you will join our community of life-long learners. My best wishes to all eligible aspirants applying for admission in the MBA programme.

About Master of Business Administration (MBA) Programme

The Master of Business Administration (MBA) program is designed to help students become better leaders and managers of enterprises in the twenty-first century. The program's main goal is to impart comprehensive business knowledge, effective communication skills, strategic problem-solving abilities, networking abilities, time and resource management abilities, analytical abilities, and leadership capabilities. Students will be able to develop decision making skills and enhance their capacity for creative problem solving because of the course's strong business practice focus. This curriculum imparts knowledge and skills in a way that encourages students to work hard to leave a lasting beneficial impression on the world. In order to train its students to face the challenges of an information and knowledge driven work environment, DSM provides them with the Triple E: Education, Experience and Exposure. DSM strives to inculcate in its students the managerial competence through specialized knowledge and skills, while simultaneously empowering their minds through quality teaching, consultancy, and other professional services in order to fulfill its role of a vibrant and model institution capable of imparting quality education in the area of management studies.

The MBA program covers a variety of business disciplines, including accounting, finance, marketing, human resources, operations, and decision science. This program offers specializations in Marketing Management, Financial Management, Human Resource Management, Business Analytics, Operations and Supply Chain Management, International Business, and Entrepreneurship.

For the MBA program, DSM follows a semester system and choice based credit system, adhering to the guidelines issued by various regulatory authorities from time to time. The semester system accelerates the teaching learning process and enables horizontal and vertical mobility in learning. The credit based semester system provides flexibility in designing curriculum and assigning credits based on the course content and hours of teaching. The choice based credit system provides a "cafeteria" type approach in which the students can take the courses of their choice, learn at their own pace, undergo additional courses and adopt an inter-disciplinary approach to learning.

The MBA program is offered at Delhi School of Management (DSM). In previous years, our esteemed MBA program was offered at Delhi School of Management and east campus. We are excited to announce that, beginning this academic year, all MBA seats have been consolidated to our prestigious main campus. This strategic decision ensures a unified and enriched learning environment, providing our students with enhanced resources, networking opportunities, and academic support. With this consolidation, we now offer a total of 270 seats. Delhi Technological University also offers the Master of Business Administration (Executive), MBA (Business Analytics), MBA (Entrepreneurship, Innovation, and Venture Development), and Ph.D. program, in addition to the MBA. Each program's admissions brochure is released independently.

- The MBA program is a two-year full time professional program spread over four semesters, which combines grueling academic schedules with proactive efforts to develop new perspectives and a higher level of knowledge and understanding
- The program focuses on inculcating effective managerial and leadership skills
- The first year of the program offers core courses to build a strong foundation in management and its functional domains, and the right attitude, knowledge and skills which are essential for a leader in the long run
- The elective courses offered in the second year give students an opportunity to delve deeper into their respective areas of specializations and thus, cater to the role and sector specific career objectives.

Delhi School of Management (DSM)

Delhi School of Management (DSM) was established in 2009. With a vision of inculcating a penchant for innovation, research, and experimentation, DSM aims at extending the seven decade long legacy of DCE by incubating and developing techno-managers, who are adept at identifying pertinent and critical business problems, and applying their technical skills and competencies in solving those problems. Delhi School of Management (DSM) is widely acknowledged for academic excellence in management education. The flagship program of the school is two-year full-time regular MBA program that focuses on enhancing the capabilities of the students to lead and manage 21st century businesses. DSM also offers a two-year weekend MBA (Executive) program and Doctoral Program (Ph.D.) in Management. The school also extends support to various engineering departments of DTU for imparting management education to the budding engineers. DSM envisions at developing a knowledge society by providing equitable access to the masses and broadening the span of their participation in the areas of higher education.

DSM has been accredited by National Board of Accreditation (NBA) for its MBA program. The NBA accreditation ensures that the program meets premier quality standards. The department is supported by the state-of-the-art infrastructure including hostels, guest houses for visiting experts, a serene ambience to pursue learning, smart classrooms, computing labs, databases, and a well-stocked library.

DSM focuses on the comprehensive development of students by offering them subject knowledge, skills, and practical expertise of 'Management' discipline, by urging them to understand, analyze, and solve the pertinent issues faced by businesses, government, and society from a holistic and pragmatic lens. It intends to impart and sustain in students the spirit of entrepreneurship, coupled with innovation and creativity. The courses offered intend to produce socially responsible, technologically adept, and ethically driven innovative managers and future leaders. Careful selection of students having a reliable scholastic record and aptitude for management, from all over the country, ensures that the classrooms are enriched with diverse perspectives, and that each student gets a challenging, competitive, and cosmopolitan learning environment.

The curriculum is designed to meet the needs of the present-day technology-intensive business functions. The students are equipped with management knowledge to deal with the complex, global, and dynamic business environment. To ensure practical hands-on experience, internship and field projects are an integral part of the curriculum. DSM also gives ample exposure to students through case-study based pedagogy, course projects, and industry internships. In order to provide students with the required exposure, DSM brings them in close contact with the industry executives, eminent academicians, and successful alumni through conducting a series of lectures and interactive sessions. The University also motivates and supports students to participate in conferences, seminars, and paper/case-study competitions.

Students are also encouraged to form student committees/forums that undertake different impact-driven activities. The various student societies of DSM provide a vibrant environment for the students through organizing events such as Marketing Quiz, Finance Quiz, Debate, Sports Quiz, Cricket Premier League, Football Premier League, and Basketball Premier League.

With the recent consolidation of seats, DSM has undergone a remarkable expansion. This strategic move not only unifies our academic offerings but also signifies an exciting expansion of our campus facilities and resources. This expansion underscores our commitment to providing a world-class education and fostering a vibrant learning community.

Vision

Beyond Academics at DSM

DSM, DTU has ensured a holistic learning system for its students, and student-led clubs and committees are a part of this conclave, which are an extension of their career and creative interests. These clubs foster learning on a continuous basis by allowing them to execute what they've learned in the classroom to real-world situations. Such group activity arrangements have enabled students to develop leadership skills while also improving networking skills and industrial connections.

DSM is a home to various student-run committees and clubs that host challenging and exciting events throughout the year. This motivates one to engage in a variety of industry-sponsored competitions and live projects, which aid in exploring new opportunities and developing professional skills. By participating in the activities of the committees, students get opportunities for leadership, initiative, team work, and liaison. DSM has one club for each of its primary disciplines, ranging from marketing to finance to information technology and various recreational groups such as sports and photography, inter alia.

The zeal and exuberance with which all festivals and holidays are celebrated on campus is one of their distinctive features. The student experience is not complete without these celebrations. The goal of student life and campus activities is to foster a dynamic and creative learning environment. A distinguishing feature is a management student's ability to draw on the structure of a well-established, reputed university such as DTU. Additionally, it offers a distinctive forum for interaction and collaboration between experts from various disciplines and students.

TRAINING AND PLACEMENT

Placement Committees become vital for any B-school as they are responsible for interacting with the corporate world outside and the onus of bringing in new companies to the college falls in their shoulders. The students in this process go through a learning experience and understand how to network within the corporate world better. The Central Training and Placement Department Delhi Technological University is continuously supporting us to make them better and bring the best companies for our placements each year. The Placement Committee plays a vital role in measuring a smooth & efficient placement process, coordinates all the efforts and activities directed towards ensuring utmost satisfaction to the needy students for their placement. The placement process is, like all premier institutions, a student-run affair, working under the guidance of the faculty coordinators. The team of training and placement cell acts as an interface between the industry and students, and provides counseling, practical assistance and runs programs, to help develop students in various spheres, so that they can achieve their career-related aspirations. The Placement team focuses on providing its students with multiple opportunities giving corporate exposure. Opportunities like corporate interactions where the industry leaders can directly communicate with the students, industry visits where the students get to know more about how the industries work, multiple internships that can help the students in choosing their desired profile and sector, live business projects that enable the students to get in-depth insights about every sector and live case-study based learning.

The Placement Cell understand very well that the final placements and summer internships are the most important landmarks of any student's career and hence, the student coordinators and faculty mentors put in their best so as to achieve the targets and provide what is best for the candidates. The major recruiters are KPMG Global, KPMG India, E &Y, TCS, ZS Associates, Motherson Sumi Infotech and Designs, Berger Paints, ICICI bank to name a few and there are constant efforts to expand this list.

OUR PROMINENT RECRUITERS

MBA Program is a two-year full time professional program spread over four semesters, which combines rigorous academic schedules with proactive efforts to develop new perspectives and a higher level of knowledge and understanding.

The Program focuses on inculcating effective managerial and leadership skills. The first year of the program offers core courses to develop the right attitude, knowledge and skills which are essential for a leader in the long term. The elective courses offered in the second year give students an opportunity to delve deeper in their respective areas of specialization and thus cater to the role and sector specific career objectives.

Types of Specialization

The syllabus has been designed to provide more flexibility and freedom to the students to choose a combination of specialization and electives from the basket.
A student can opt for:

Major/Minor Specialization
Or
Dual Specialization

Note: In addition to major/minor/dual specialization, students may also make their own basket of courses across functional areas. In such cases, MBA degree without any specialization shall be awarded.

No. of papers to be opted under the above combinations:

- **Major** (3 each in III & IV Sem)
- **Minor** (1 each in III & IV Sem)
- **Dual** (2 each in III & IV semester)

However, as per the policy, a particular elective paper shall be offered only as per University norms. The department may also restrict some of the combinations of specialization/electives keeping in view the industry trend, job opportunities and students' preferences.
