MBA ADMISSIONS 2026-28 FIRST ROUND OF PROVISIONAL SEAT ALLOTMENT AND ONLINE FEE PAYMENT

The allotment status of universities is now available in the candidates' CMAC login account. Candidates are required to log in and check their seat allotment status. The allotment of universities has been carried out based on the candidate's rank in the merit list, subject to fulfillment of eligibility criteria, availability of seats in the respective category, and the preferences submitted by the candidate.

All candidates who are allotted a seat provisionally in any university during the first round of counselling are required to pay the Part Admission Fee of ₹1,00,000 (Rupees One Lakh) ONLINE. The payment link will be available in the CMAC login account of the provisionally selected candidates till 24th June 2026 (up to 5:00 PM). If the candidate does not pay the part admission fee, his/her provisionally allotted seat will stand automatically cancelled and the candidate will not be considered for subsequent rounds of seat allotment. However, such candidates are eligible for the spot round of counselling.

After successful payment of the Part Admission Fee, candidates will be able to download the provisional allotment letter from their CMAC login account.

Candidates who will successfully block their provisionally allotted seat by paying the part admission fee will be automatically considered for upgradation in subsequent rounds. The upgradation will be subject to:

- Candidate's registered preferences
- Rank in the merit list
- Eligibility criteria of the respective university
- Availability of seats in the preferred category

If any candidate wishes to withdraw from admission at any stage of the admission process after paying the Part Admission Fee, they must fill out the Withdrawal Form available in their CMAC login account.

Kindly refer to the Withdrawal Policy available on the [CMAC website](#).

Candidates who have not been allotted a seat in the current round are waitlisted and shall be automatically considered for seat allotment in subsequent rounds, subject to availability of seats, merit rank, eligibility, and preferences submitted by them.

Candidates are advised to carefully follow the admission schedule and complete the required formalities on time to secure their candidature.

Note: The allotment is purely provisional and subject to verification of documents, meeting eligibility conditions, and approval by the CMAC(PG)-2026. If any candidate is found not eligible at any stage of admission process or thereafter, his/her provisional admission shall be cancelled by CMAC and no fee will be refunded
