All candidates applying for MBA admissions through CMAC(PG) 2026 are hereby informed to carefully fill in the *percentage of marks obtained in graduation* in the application form.

In this regard, please note the following guidelines:

- 1) Candidates must calculate and enter their percentage strictly as per their respective University/Institute norms and guidelines.

CGPA × 10 = Percentage of Marks
- 3) Candidates appearing in the final semester/year must enter the *marks up to the last completed semester*, with CGPA converted into percentage as per points (1) and (2), and upload the corresponding marksheets in both fields (Passing Certificate/Degree and Marksheet).
- 4) Candidates appearing in the final semester/year are required to secure the *minimum aggregate marks* as per the prescribed eligibility criteria upon declaration of results, failing which their **admission will stand cancelled**.
- 5) **Filling the percentage field is mandatory. Candidates who do not enter their graduation percentage will not be able to proceed further to the Choice Filling/University Priority selection stage.**
